Teri

Hair – Dirty blond , occasionaly with red streaks (or other colors if Misty got a hold of the dye)
Shoulder length

Eyes – Blue

Height – About 5'6"

A closet yaoi girl and otaku, and being around her best friend Misty really brings out the insanity in her.

She can function in the real world though, better than most of her otaku teen classmates, and has a part time job to support her anime habit.

Teri likes dry humor and poking light fun at Misty.
