Misty

Hair – Blue with purple highlights
Short, often in pigtails

Eyes – Green

Height – About 5'3"

Weight – 105lbs

Hyper active, Misty is proud to be an otaku. She likes to speak in fan girl Japanese. Spreading the word of yaoi is her purpose in life.

She is often the example of what not to do, because she rarely thinks about her actions ahead of time. Teri and Adam tend to serve as her conscience.
