Tyler

Hair – Short, naturally dark blond, but almost always dyed some color or another

Eyes – Green

Height – About 6'1"

Tyler thinks there should be more yuri in the world. He has a running banter with Misty and Teri to try to get them to make out, and they say they will as soon as he kisses Adam. So far, that hasn't happened.

Tyler and Misty have been friends since they were in kindergarten, and have a sibling relationship for the most part (Besides him wanting to see her make out with Teri, but that's as much on the principle of the matter as anything else). He originally dragged Adam to the school anime club, after they became friends through video games.

He serves as another "bad example" in the do's and don'ts.
